Anybody here listen to Shakedown by Crucial Bankie. I listen to the very few raggea radio stations in my area and have not heard him on any. I met him in St. Kitts a few years ago. His CD Shakedown came out in 2004 or 05. I have the CD but still would like to hear him on the airwaves. Nah Give Up & Over There are my favs on CD.

Hi,

Thanks for the suggestion and I will try find some music from Crucial Bankie music and add to playlist.

And I will let you know when done.

Have a nice week tuned in 1.FM ReggaeTrade.
